Building Recycling by Commodity

Note: Due to a limitation in the collection process, some plastic may incorrectly be recorded under the cardboard category.
We are working on a solution to this problem, and the issue should be corrected by Jan 1st, 2009.

July 1 to June 30

Helpful Hint
Minimize paper use by:
- making your printing and copying setting duplex (double-sided) on default,
- avoid printing the website 'extra page',
- reduce document page margins - use margins no greater than 0.5" or 0.75", and
- reuse old single-sided documents as scrap paper or printing on the other side.
