NEW Online Master’s Program

Master’s Degree Program in SPECIAL EDUCATION
Emphasis in Learning Disabilities (LD) or Autism Spectrum Disorders (ASD)

*The new ASD Program is pending Michigan Department of Education approval.

APPLICATION DEADLINE — February 15, 2011
For Summer and Fall 2011 Semesters

PROGRAM Features

- Apply cutting-edge research about what works for students with disabilities.
- MSU faculty is nationally known for innovative research about instructional practices that boost the achievement and motivation of students with LD and ASD.
- Learn about research-based instructional practices and put that research into practice in your own classroom through course projects and assignments.

MORE INFORMATION
education.msu.edu/cepse/specialed

YOUR PLACE Your Place

- All courses are fully online.
- Course projects will engage you in applying what you have learned and can be tailored to your interests and situations.
- You can complete projects and clinical experiences in your own classroom or school, with approval by MSU faculty and supervision by qualified personnel.

SUPPORT For Your Success

- Personalized instruction and guidance from special education faculty plus individual advisors and graduate student mentors to assist you.
- Opportunities to collaborate with other educators who work throughout the United States and around the globe.
- Online office hours with program faculty, an easy-to-use online course format, technical support from MSU's 24/7 help line, and more.
