Program Overview:

Founded in 1949, the Michigan State University Student Affairs Administration (SAA) program is one of the oldest and most prestigious in the country. Our graduates work at colleges and universities around the world and are leaders in the field of student affairs.

The program provides a broad perspective of higher education systems from social, historical, cross-national, and normative perspectives, an understanding of central issues in student affairs administration, and a connection of theory to practice.

There are opportunities to develop and use skills needed in practice through practica and field experience.

We expect graduates to be prepared to work in and cultivate educational environments that promote diversity and multiculturalism.

The SAA Curriculum:

The SAA program prepares students for a wide range of student affairs administrative, teaching, and leadership positions in post-secondary education. The SAA program is part of the Higher, Adult, & Lifelong Education (HALE) unit, and therefore, the curriculum of the SAA program reflects its philosophy and goals.

The Master of Arts in Student Affairs Administration program is 40 credits and requires two practica (internship) experiences. Full-time students usually complete the degree in two years. Toward the end of their first year, students develop their program plan in conjunction with their faculty advisor.

The student must successfully complete a certifying examination during the semester in which the student intends to graduate.

The Student Experience:

The Student Affairs Administration program offers students many unique and powerful learning experiences, including:

* Practical internships at Michigan State University and across the country
* Teaching opportunities
* Interaction with leading scholars in higher education
* Study with a strong faculty who have a wide variety of research interests
* Study abroad experiences and a global understanding of higher education
* Original research
* Participation in local, regional, & international professional organizations
* Diverse environments for learning and working

Current students participated in a variety of practica experiences this summer and with NODA or ACUHO-I internships at institutions such as Brown University, Florida International University, Gainesville State University, Hope College, Marymount College (CA), Marymount University (VA), Michigan State University, Morgan State University, Philadelphia University, Pennsylvania College of Technology, Seattle University, Stanford University, Temple University, University of Notre Dame, University of Rhode Island, and University of South Florida.

Assistantship and Job Opportunities:
Many SAA students hold Graduate Assistantships while enrolled at Michigan State. Although not a requirement of the program, assistantships compliment students' academic experience and provide other benefits that generally include:

- Standard graduate tuition remission for up to 9 credits (most full time SAA students take 10 credits per semester)
- Monthly stipend
- Health insurance
- Eligibility for Graduate Assistant parking permit (does not pay for permit)

Assistantships are available in a variety of offices at Michigan State, including:

- Undergraduate Admissions Office
- Learning Resource Center
- Department of Residence Education and Housing Services
- Career Services & Placement
- Department of Student Life
- LGBT Resource Center
- Honors College
- Student-Athlete Support Services
- University Activities Office
- University Community Relations

Admitted students have an opportunity to interview for assistantships at Spartan Preview Days. Additional information about the assistantship application process will be provided to admitted students. For prospective students interested in assistantships with the Department of Residence Education and Housing Services you should apply directly to them. For first consideration for these positions, please apply no later than January 4. More information about assistantships in the Department of Residence Education and Housing Services can be found at http://www.liveon.msu.edu/employment.

There are other opportunities on-campus and off-campus in which SAA students may take advantage. For example, some of our students have full-time positions at surrounding colleges, such as Albion College, Alma College, and Lansing Community College, and are able to complete the SAA degree in 2-3 years.

Spartan Preview Days – February 14-16, 2013:
Spartan Preview Days (SPD) is designed for you to learn more about the SAA program and Michigan State, as you are making the decision on where to attend graduate school next fall. SPD gives newly admitted SAA students an opportunity to meet faculty, current students, alumni, and other admitted students. At SPD, students can interview with different assistantship or employers, and learn what it means to be a Spartan.

Information will be sent to admitted students about SPD by the end of January.

Don’t forget! SAA application deadline: January 5th for optimal consideration
