Thursday November 19, 2009
12:30-3:30 PM
MSU Main Library
Basement Instruction Room
Please RSVP to brook140@msu.edu by Monday November 16

CommUNITY Mission

The EAD CommUNITY team recognizes the challenges that new students will face during the transition to a new environment. We embrace the spirit of helping others as an essential component of a vital, sharing and collaborative community. We are collectively engaged in a living and learning process which promotes the growth of all members of the Education Administration Community.
