REQUEST FOR ELEMENTARY PROVISIONAL TEACHING CERTIFICATE
WITHOUT ALL ENDORSEMENTS FOR WHICH COURSEWORK HAS BEEN
COMPLETED

The State of Michigan requires that the basic skills and elementary education subject area test be passed before an institutional recommendation for the Elementary Provisional Teaching Certificate can be made. In addition to that minimum requirement, please list any teaching major(s), minor(s), or additional endorsement(s) for which you have completed coursework.

- If you have passed the test(s) for the subject area(s) listed above, please have NES, Inc. (http://www.mttc.nesinc.com, 413-256-2876) send your scores to Michigan State University, 134 Erickson Hall, East Lansing, MI 48824 as soon as possible.
- If you have not passed all of the test(s) for the area(s) listed above, but you have passed the basic skills test and the elementary subject test and you wish to have your certification recommendation processed without one or more of your disciplinary subject endorsement area(s), please carefully read and complete the remainder of this form.

I will be completing the Elementary Provisional Teaching Certification Program for Grades K-5 All Subjects and K-8 Self-Contained Classroom teaching certification. However, I have not yet passed the subject area examination in one or more other endorsement area(s) for which I have completed coursework. Please process my certification now without the additional subject area(s).

I understand that once I receive my teaching certificate, complete all State and University requirements and pass the appropriate subject area test(s), I may apply for additional endorsement(s) to be added to my teaching certificate.
